Forwards Copy of letter from Superintendent of Stationery regarding supply of Stationery articles & Printing Work of the Board & requests that orders of Govt be obtained for Execution of Printing Works.

1) As there is no separate provision for the printing work of the Economic Development Boards & The Contingent Grant for the Boards is also very small, the Printing Work of the Boards as well as the supply of Stationery articles to the respective offices of the Secretaries will have to be made by the Supdt. Govt Stationery, without payment.

2) The Secretary. Board of Agriculture submitted his indent for Stationery articles for 1924-25 & the same was sanctioned & passed on to the Supdt of Stationery by the Government for supplying to the Secretary. It is therefore a point for orders whether the indents for Stationery articles from the other two Secretaries may also be called for & forwarded to Govt for Sanction submitted for orders.

Sir

I am directed to forward herewith a copy of letter No. 21 dated 5th July 1924 received from the Superintendent, Government Station-ery in the matter of supply of Stationery articles and execution of printing work relating to the Board for favour of obtaining early orders of Government.

I have the honour to be,
Sir,
Your most obedient servant,

R. Anantasubramanyam

SECRETARY.

Letter No. 21 dated 5th July 1924 from the Superintendent of Stationery, Bangalore to the Secretary, Board of Industries and Commerce, Bangalore.

With reference to your letter No. 4 dated 3rd instant, regarding printing your work in the Government Press, I have the honour to state that formerly the printing done for your office and the Stationery articles supplied used to be charged for. I request to be informed whether this procedure, may be adopted now.

I think, considering all circumstances, it would be better to obtain definite Orders of Government in regard to the work to be done and the articles to be supplied to the three Boards of the reconstituted Economic Development Board.
